

Walk Behind Sweeper

SW900 will offer valuable benefits to businesses looking for a time-saving, more productive and easy-to-use machine ensuring dust free sweeping of dry debris. An ideal sweeper for cleaning contractors, industry and manufacturing, schools, warehouses, hotels, exhibition & congress centers. Higher cleaning performance and productivity.

- All controls can be overviewed and reached from operator position.
- More comfortable to maneuver with new ergonomic handlebar.
- Easier to adjust speed: New traction lever integrated in handlebar.
- The hopper, holding 60 litre, easy to pull off sweeper.
- New side broom control on handlebar.
- Automatic on/off when side broom is lowered/raised.
- Quicker and more effective cleaning of filter:
- New electric shaker system.

SW900 walk-behind sweeper for both indoor and outdoor use offers dust free removal of dry debris. It will increase your everyday productivity through new valuable benefits: Total control from operator position, improved ergonomics with hopper on wheels, and higher cleaning performance.
